# IEICE Workshop on Networks Optimization and Dimensioning

**Network traffic optimization**

**Performance evaluation of wired  
and wireless networks**

**Optical network performance  
modelling and assessment**

**Network dimensioning**

**Heuristic, Genetic  
and Evolutionary algorithms**

**Metaheuristics**

**Ant Colony and Bee algorithms**

**Hybrid algorithms**

**Chaotic optimization**

**Energy efficient routing**

## Important Dates

### Abstract

September 25, 2016

### Notification of Acceptance

October 5, 2016

### Final Camera-Ready

October 15, 2016

## Paper Submission Guidelines

The authors should follow the guidelines for authors at:

[www.wnod.ieice-europe.org](http://www.wnod.ieice-europe.org) when preparing their contributions. Please send any questions to:

## Program Committee

**Mariusz GŁĄBOWSKI**

TPC co-chair  
Poznań University of Technology

**Piotr ZWIERZYKOWSKI**

TPC co-Chair  
Poznan University of Technology

**Krzysztof WALKOWIAK**

Wroclaw University of Science  
and Technology

**Artur LASOŃ**

AGH University of Science  
and Technology

**Jerzy DOMŻAŁ**

AGH University of Science  
and Technology

## Organizing Committee

**Sławomir HANCZEWSKI**

General Chair, Poznan University of Technology

**Adam KALISZAN**

Poznan University of Technology

**Damian KMIECIK**

Poznan University of Technology

**Maciej PIECHOWIAK**

Kazimierz Wielki University

**Piotr BORYŁKO**

AGH University of Science  
and Technology

**Piotr CHOŁDA**

AGH University of Science  
and Technology

**Jacek RAK**

Gdansk University of Technology

**Haris GACANIN**

Alcatel-Lucent Bell

**Miroslaw KLINKOWSKI**

National Institute of Telecommunications

**Maciej SOBIERAJ**

Poznan University of Technology

**Joanna WEISSENBERG**

Kazimierz Wielki University

**Michał WEISSENBERG**
